# VENUE & DRAWING SOURCES

Theater Ingolstadt

Großes Haus · Published house plot

85049, Ingolstadt, DE

https://www.theater.ingolstadt.de/

Sources checked 2026-11-04

Generated by HitLight from the reviewed partial Theater Ingolstadt reconstruction. Venue sources are cited as facts; their original artwork remains private.

Symbols: HitLight-owned category artwork. No manufacturer model geometry or original source pages included.

Fixture positions follow the venue’s published lighting plot; the currently installed rig is not verified.

Fixture heights are approximate; trim heights may differ from the drawing.

This view includes 176 drawn bodies. Equipment listed only in the Electrics I/II and overhead-light tables has no individual plotted position and is omitted.

The Model drawing and older bridge plan show different arrangements. This view follows the Model drawing; its date and the current installation are unverified.

176 records display 157 approximate public catalogue housings or labelled donors and 19 visual fallbacks. 12 display references use newly authored generic flood/PAR class housings. These do not identify installed products or verify wattage, optics, native DMX, dimming, rigging or hardware. Original source, geometry, mode, patch and output-exclusion qualifications remain.

176 source-based fixture records display 157 approximate public catalogue housings or labelled donors and 19 visual fallbacks. 94 original 714SX display references now use newly authored public housings. Printed source identities and donor labels, selected modes, patch, output exclusions and layout are unchanged. Original source, geometry and installed-equipment uncertainties remain; housing detail, optics and hardware are unverified.

Approximate planning view; not official venue paperwork or output-ready. Original HitLight symbols only; no source pages, OEM meshes, photos or logos. Original files remain private; modes and patch unverified.
