Sources checked 2026-11-03

Generated by HitLight from the reviewed partial Great Hall at The Leys reconstruction. Venue sources are cited as facts; their original artwork remains private.

Symbols: HitLight-owned category artwork. No manufacturer model geometry or original source pages included.

Fixture positions follow the venue’s published lighting plot; the currently installed rig is not verified.

Original printed model names are retained; approximate catalogue housings are displayed where available. Installed identities, native modes and the DMX patch remain unverified.

The plot gives no full scale or trim heights, so scale and heights are estimated.

68 records display 36 approximate public catalogue housings or labelled donors and 32 visual fallbacks. 6 Spectra Cyc 200 bodies now have verified original-work public permission; geometry and native profiles are unchanged. Hardware revision, optics and accessories remain approximate. Existing source/donor identities, geometry, mode/patch and output exclusions remain qualified.

Approximate planning view; not official venue paperwork or output-ready. Original HitLight symbols only; no source pages, OEM meshes, photos or logos. Original files remain private; modes and patch unverified.
