GENERAL NOTES

1. Source-based lighting plan. Confirm the current rig with the venue.
2. PARTIAL: included fixtures are not a full physical-unit census.
3. DMX PATCH WITHHELD: provisional or unchecked addresses are not published.
4. Approximate planning view; not official venue paperwork or output-ready. Original HitLight symbols only; no source pages, OEM meshes, photos or logos. Original files remain private; modes and patch unverified.

VALIDATION APPENDIX

WARNING · PATCH_WITHHELD

DMX patch facts are withheld pending source verification. This planning document cannot be used for hardware output.

Objects: — · Remediation: review the source facts and regenerate.

ERROR · STAGE_DIMENSIONS_UNCONFIRMED

Confirm the stage dimensions before producing a final technical document.

Objects: Rollins Studio Theatre — historical reference rig · Remediation: review the source facts and regenerate.

WARNING · MODE_UNVERIFIED

DMX modes are unverified; output remains excluded.

Objects: F001–F070 · Remediation: review the source facts and regenerate.

WARNING · FIXTURE_DISABLED

Fixtures are disabled for this visual planning reconstruction.

Objects: F001–F070 · Remediation: review the source facts and regenerate.

WARNING · TITLE_METADATA_INCOMPLETE

Some professional title-block metadata is missing; the document will show an em dash.

Objects: f95c3a3e88a407dfd92245fc · Remediation: review the source facts and regenerate.

HitLight

VENUE & DRAWING SOURCES

Rollins Studio Theatre at the Long Center

Rollins Studio Theatre — historical reference rig · Published reference — not a verified current house rig

701 W. Riverside Drive, Austin, TX 78704, Austin, Texas, US

https://thelongcenter.org/rollins-studio-theatre/

Sources checked 2026-10-20

Generated by HitLight from the reviewed partial Rollins Studio Theatre at the Long Center reconstruction. Venue sources are cited as facts; their original artwork remains private.

Symbols: HitLight-owned category artwork. No manufacturer model geometry or original source pages included.

Fixture positions follow the venue’s published lighting plot; the currently installed rig is not verified.

The plot gives no full scale or trim heights, so scale and heights are estimated.

Historical repertory plot dated 22 June 2022; the March 2026 technical pack does not certify that this is the current house rig.

Approximate geometry and inferred fixture heights, focus and ground/overhead cyc arrangement. All fixtures are excluded from output.

Six SeaChanger fixtures use Source Four 36-degree bodies as visual substitutes; their colour modules and control modes remain unverified.

Partial source-based planning reconstruction; the current installation and complete fixture census are unverified.

Source-matched catalogue bodies are shown where available. Unresolved source identities remain labelled visual markers. Installed modes and DMX patch require verification; visual-only fixtures remain excluded from output.

70 source-based fixture records currently display 70 public catalogue housings and 0 visual fallbacks. Original source identities, modes, patch and output exclusions are unchanged.

Existing Source Four PAR / Colortran Fresnel profile references now display newly authored approximate public housings. Existing source identities and any other-maker mechanical substitutes remain labelled; installed optics, modes and patch are not verified.

70 records display 70 approximate public catalogue housings or labelled donors and 0 visual fallbacks. 10 Spectra Cyc 200 bodies now have verified original-work public permission; geometry and native profiles are unchanged. Hardware revision, optics and accessories remain approximate. Existing source/donor identities, geometry, mode/patch and output exclusions remain qualified.

Approximate planning view; not official venue paperwork or output-ready. Original HitLight symbols only; no source pages, OEM meshes, photos or logos. Original files remain private; modes and patch unverified.
